## Quadbiking

Our most popular tour as real adventure starts here for the ride of your life. We ride the wildest dunes, roller coasters and spirals of the Namib. Excellent photographic opportunities. Adrenaline guaranteed. Cold drinks included.

from R320 pp for one hour

## Lie Down Sandboarding

No experience necessary. The sand boarder lies on their stomach shooting head first down the dune. After a brief instruction period we head up the dune for our first ride which we call Little Nellie. From there we move to the second "training" ride called the Birgit Run. This ride is longer, steeper and faster than the first. Lizzie is the first of the real rides and the third ride on the dune. Speeds up to 60 kph (37 mph) can be achieved. This ride also offers excellent photo opportunities.
