The Boma - Place of Eating

The Boma is located at the Victoria Falls Safari Lodge complex and is a unique cultural experience. Before the meal, partake in a traditional hand washing ceremony and sample the local beer. While you dine on the sumptuous feast, Shangaan dancers will entertain you with traditional dances and songs. After the meal pay a visit to the Sangoma, who will tell your fortune and then end the evening on a festive note by drumming along to the beat set by the drum leader.
