Exploring Italy

Gondola ride in Venice

SIGHTSEEING

Venice City Tour on Foot

The tour will start with an introduction of the history and origins of Venice, (and a visit to St Mark's Church), built to protect the body of evangelist St Mark who was brought to Venice from Alessandria. From the Doge's Palace, where the Doge lived, you will cross through the Bridge of Sighs, built in the year 1600, to arrive at the Prison's Palace. At the end of the tour you can visit the artistic glass factory on Murano Island to admire the masterpieces (optional visit)

from €41 pp

Murano, Burano and Torcello

The tour will start from St. Mark's Square and go directly to Murano Island, the biggest Island, famous for its glassworks. Here, in 1291 all the glassblowers were moved for security reasons. The tour will then continue to Burano Island, famous for its painted houses and buildings and for its lace works. After your visit of Burano, you will depart for Torcello, the smallest of the three Islands. Today, only 13 people live there, but in the 10th century it had 40 000 inhabitants, 12 churches and convents. It was also the richest and most powerful island on the lagoon.
