

A breath of fresh air and flare in the West Coast. Anelia tells you her story, invites you to be part of it and bring back memories from your stay.

Newly built 4-star beach resort with 150 rooms. From the rustic and traditional thatch and shingle roofing to the chic modern designs, the resort concept conveys the guest into a time travel.

The woodwork and décor is a constant reminder of our traditional architecture and depicts the different phases of the island's development and modernization.
