

Idube is situated in the Sabi Sand Private Game Reserve, adjoining the Kruger National Park in South Africa. This world renowned reserve is known for conservation efforts, particularly in protecting rhino. The reserve is also extending its efforts to the community on the borders of the Sabi Sands, Mpumalanga, in uplifting and improving their conditions, as well as their understanding of the value of the reserve for the future. Idube Game Reserve traverses approximately 10 000 hectares of wildlife area and is home to the big 5, as well as a large variety of other animals.

FACILITIES & ACTIVITIES

- Restaurants & Bars: Breakfast and Lunch are served on one of the 4 beautiful wooden, thatched decks overlooking Shadulu dam.
 Breakfast consists of a large English type and Continental breakfast with fresh fruit, cereals and yoghurt.
 Dinner is served in the boma after the evening safari.
- Safaris: Safaris are in open Landrovers with an experienced ranger and tracker. There are two game drives daily, lasting about 3 hours each. The early morning drive starts at sunrise. On the late afternoon game drive, having had a sundowner in the bush, spotlights are used to spot predators like lion, leopard, hyenas, civet and other nocturnal species. The game drives are exciting, often venturing off-road and offering exceptionally close encounters with game. Photographic opportunities are outstanding.
- Safari Walks: Get back to grass roots on a safari walk after breakfast with your ranger. Learn about tracking, the fascinating ways of the wild, tribal uses of trees and plants, nature conservation and ecology and lasts approximately 1 hour.
