

## 4\* PARADISE SUN

### SEYCHELLES

*Nestled along the secluded beach of Anse Volbert, on Praslin island in the Seychelles, Paradise Sun offers the sheer paradise of a soft, white sand beach fronted by turquoise waters. At the quiet-end of a 2km stretch of white coral-crushed sand, bordered by granite boulders, Paradise Sun's collection of charming ocean facing French-Creole bungalows peek out from tropical flowering gardens. The turquoise horizon is interrupted only by the postcard beauty of St Pierre Island and bobbing sail boats.*
