Selected flights for small dogs with
lift

We know that your four-legged friends are a part of the family. That's why LIFT have created a unique offering for travellers to fly onboard selected LIFT flights, with their small dogs (unfortunately no larger dogs or other pets at this stage). Your beloved dog will now be able to travel in a pet-friendly carry bag placed under the seat in front of you. Only a limited number of pets are allowed to travel on selected flights.
