## North of Bali – (Full Day)

The North side of Bali offers hidden beauty and is definitely worth a visit during your holiday. Enjoy the beautiful Tamblingan Lake and the Tropical Market in the Bedugul area. Then we move on to Ulun Danu Temple, which is the most visited and the most photographed temple for its unique beauty. En route to Lovina, drive through the Monkey Forest and stop at the magnificent, pristine, clear water Git Git Waterfall - a very popular tourist destination on the north side of the island.

Continue on to Lovina beach, which boasts beautiful, clean and calm sea water, with black sand around the coastal area. Replay your day in your mind as you travel back to the hotel, passing the beautiful scenery of terraced rice paddies between Papuan and Antosari Village en route.

### Ocean Temple

We will take you towards the West Coast of the island, where your first stop will be the beautiful temple of Mengwi Royal Family; Taman Ayun Temple. We then go on to the fascinating Monkey Forest at Alas Kedaton, where you can catch a glimpse of the giant bats that live in the tree tops.

After this, continue on to the highlight of the tour, Tanah Lot Temple, perched on top of gigantic black lava rock, around 200 meters offshore. The temple is surrounded by sea at high tide and sunset. Enjoy the experience and the beautiful scenery at this holy temple.

### Uluwatu Kacak & Dinner at Jimbaran Bay

Depart from your hotel in the afternoon and drive to Uluwatu Temple, located on a rock hill 75m above sea level, to take in the gorgeous, panoramic ocean sunset. Be entertained by the Kecak dance, or 'Tari Kecak' - a captivating traditional Balinese art performance, which also goes by 'the monkey chant dance' and even loosely as the 'fire dance', for its occasional use of fire as a centrepiece prop. The Kecak was created around 1930 and is now internationally recognised as one of Bali’s top 3 signature dances.

After the show, keep an eye out for hundreds of monkeys in habitation in the surrounding forest, as you take an evening drive to Jimbaran Bay to enjoy a Romantic Seafood dinner.
**Bali Swing**

A full day of activities awaits, with so much to do, with a Buffet Lunch, Balinese cake and Balinese coffee, tea and water all included. Enjoy 12 single swings, where you can choose from the more conservative 10m high swing, right up to the uber-adventurous 78m above the ground swing.

Other activities available include 6 cute nets, helicopter and heart rock in the jungle, a huge stone over the edge above the valley, with an amazing view on the canyon and the waterfall. Four beautiful waterfalls and swimming pool on the river beach for when the heat sets in.
