<p><b><u>Dinner &amp; Tango Show at El Querandi</u></b></p> <p>The tango is the outstanding music of Buenos Aires. It originated in the 1880 ghettos which were populated by Italian and Spanish immigrants, Africans and gauchos. From this intersection rose the "Compraditos," whose songs, lyrics, and dances reflect "el duelo de cuchilleros," or knife fights characteristic of the social ambience. The tango rose from a mix of Cuban and Spanish rhythms. In spite of its humble origins in the ghettos and brothels, in the 1920's, the tango rose to the salons of the upper classes. In 1920, this old colonial house was converted into the traditional bar, "El Querandi," with its Art Deco façade, boiserie of dark wood and salmon coloured columns. It's the ideal place for the tourist to enjoy an excellent dinner and a very traditional show.</p>	<p>Daily</p>	<p>Evening Entertainment</p>	<p><b>USD 85.00</b></p>
