MAKING A DIFFERENCE

We are committed to acting as custodians of the natural environment, whether selecting ingredients for a signature spa treatment or pairing flavours on a new menu with ingredients from the delicate Cape Floral Kingdom. We have embraced best practice with a range of green initiatives and have introduced organic and non-organic waste recycling. All savings generated are donated to the Amy Biehl Foundation, an organisation dedicated to empowering underprivileged South African children.

We also invest in our devoted Twelve Apostles team, offering regular training programmes and outstanding opportunities for personal growth, self-fulfilment and career progression.
